

GR YARIS

AWAKEN YOUR FURY

Move your world

AWAKEN YOUR FURY

It's in its nature to thrill.

The 2025 GR Yaris is an instant hot hatch classic,
channelling your instinct for exceptionally enhanced
power and razor-sharp control.

GR YARIS

BORN FROM WRC

GR YARIS

Actual vehicle may vary from image shown.

INTUITIVE CONTROL, ANYWHERE

GR Yaris shown in color white

The GR Yaris embodies a driver-first philosophy, meticulously crafted to enhance your experience. From chassis enhancements that amplify feedback to increased engine performance, every detail is designed to forge an unparalleled sense of connection between driver and machine.

Increased Engine Performance

Tougher, with boosted power and torque, this exceptional engine continues to break boundaries with every turn.

G16E-GTS Engine

The G16E-GTS powers the GR Yaris, delivering unparalleled performance

Race-engineered

1.6L

Horsepower

300 PS

Max Torque

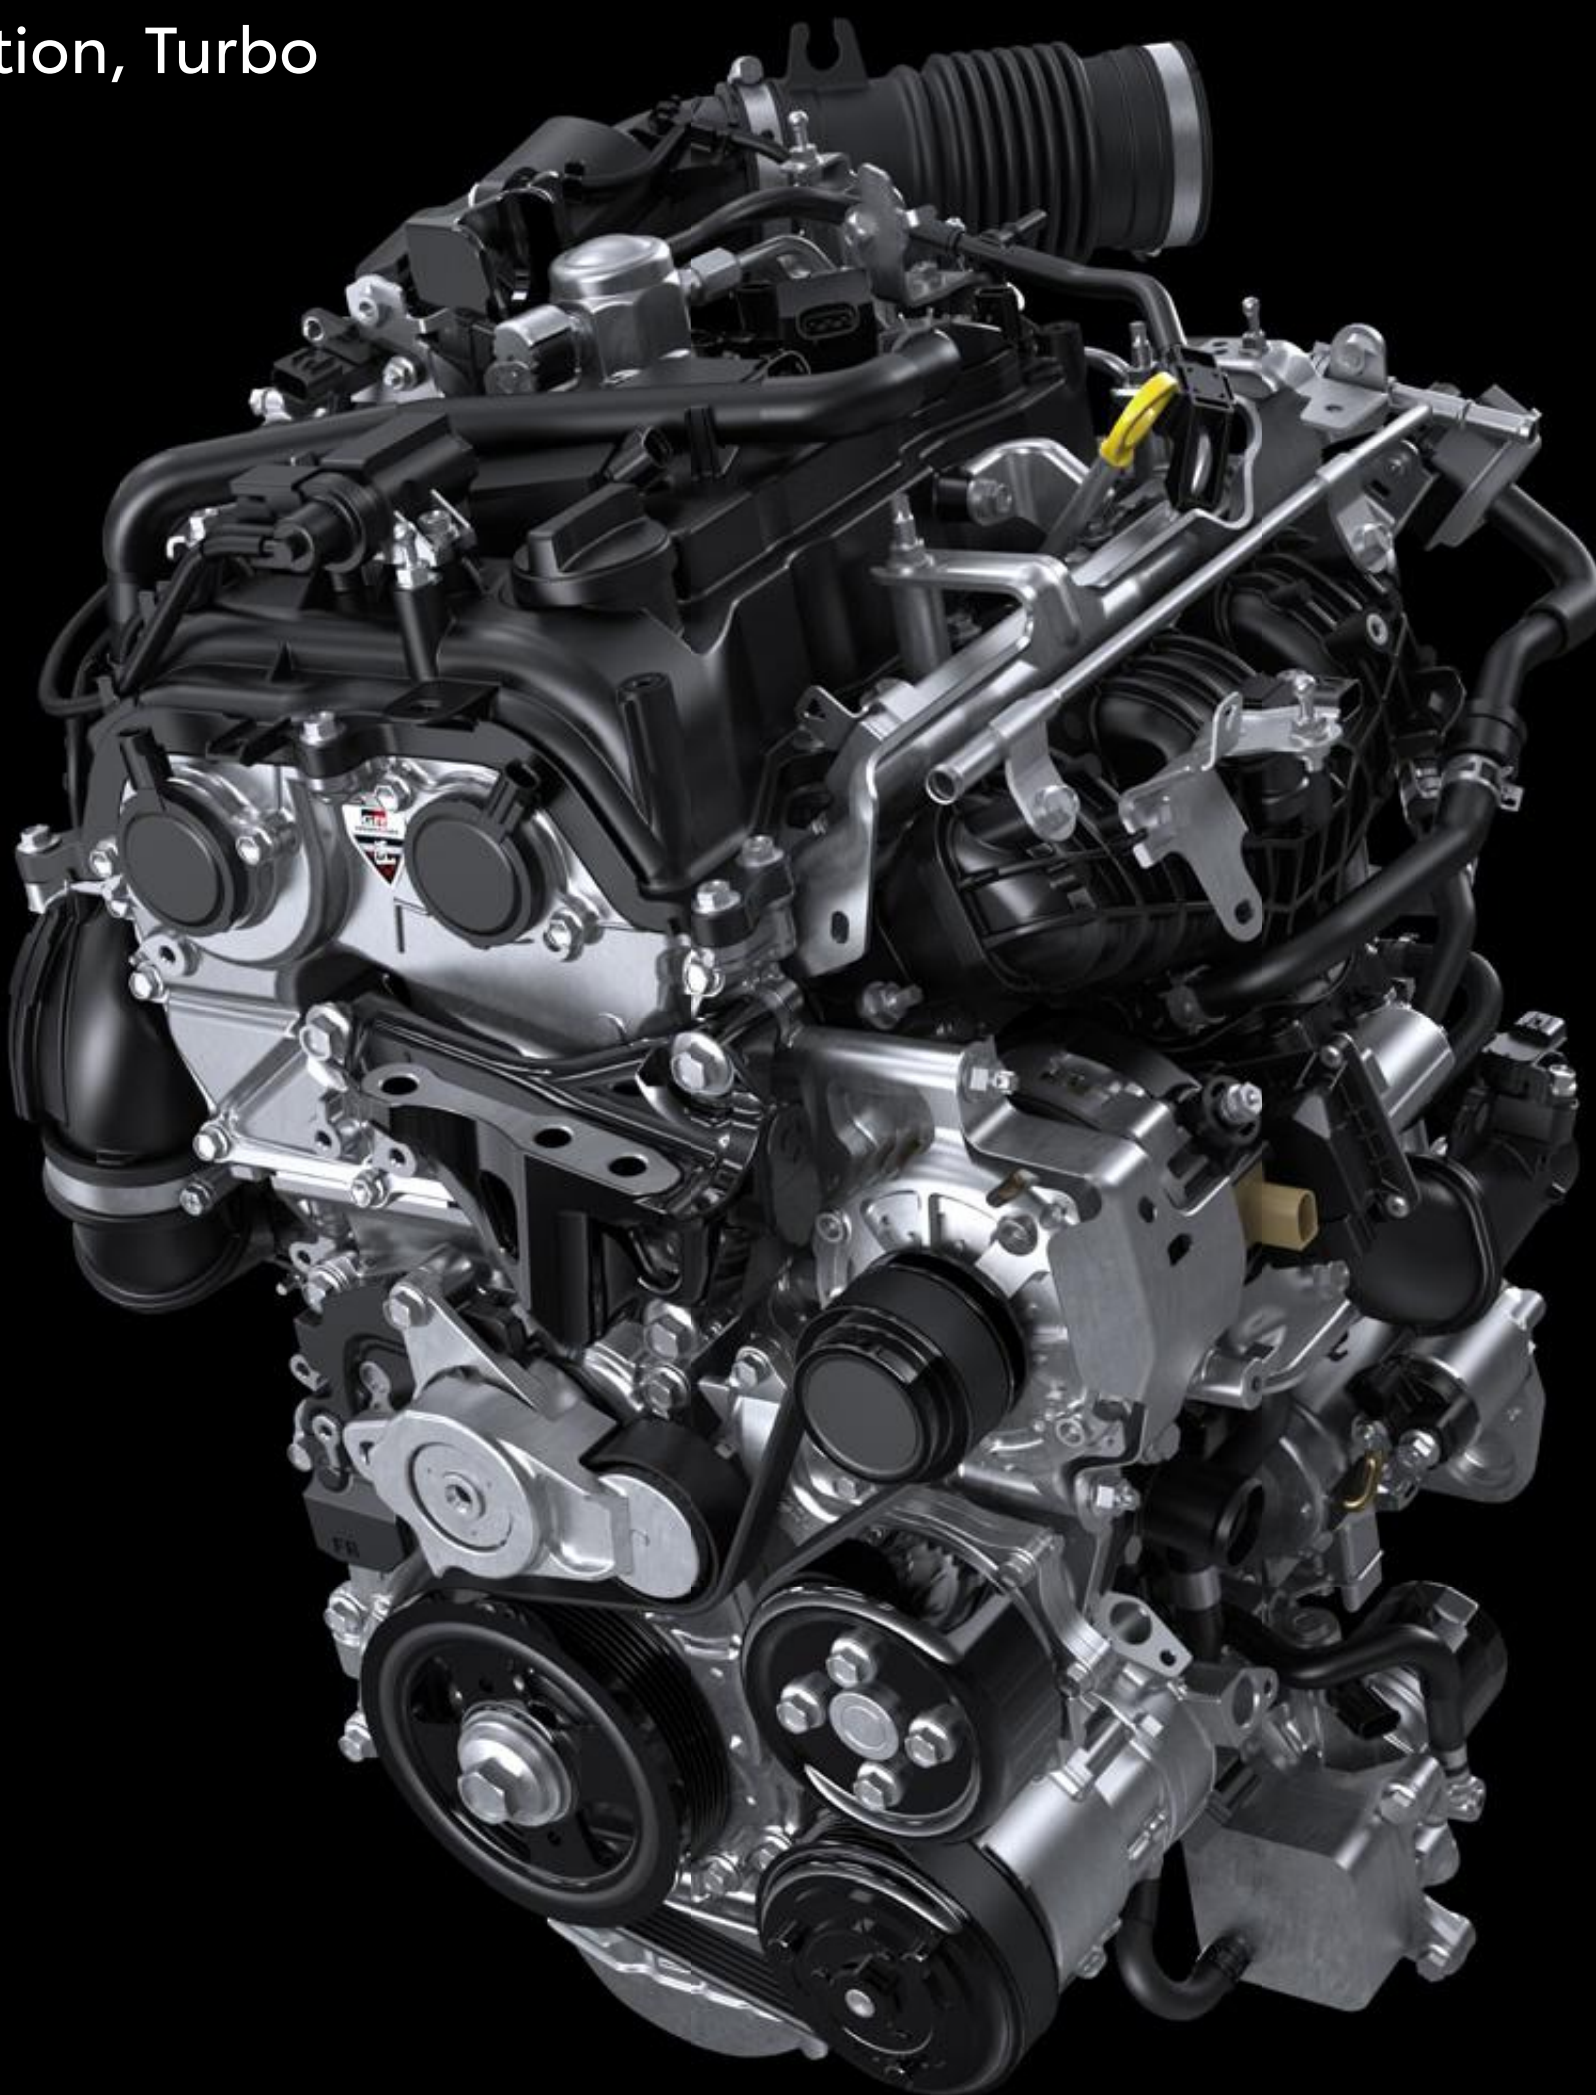

400 Nm

Inline 3-cylinder

D-4ST Direct & Port Injection, Turbo

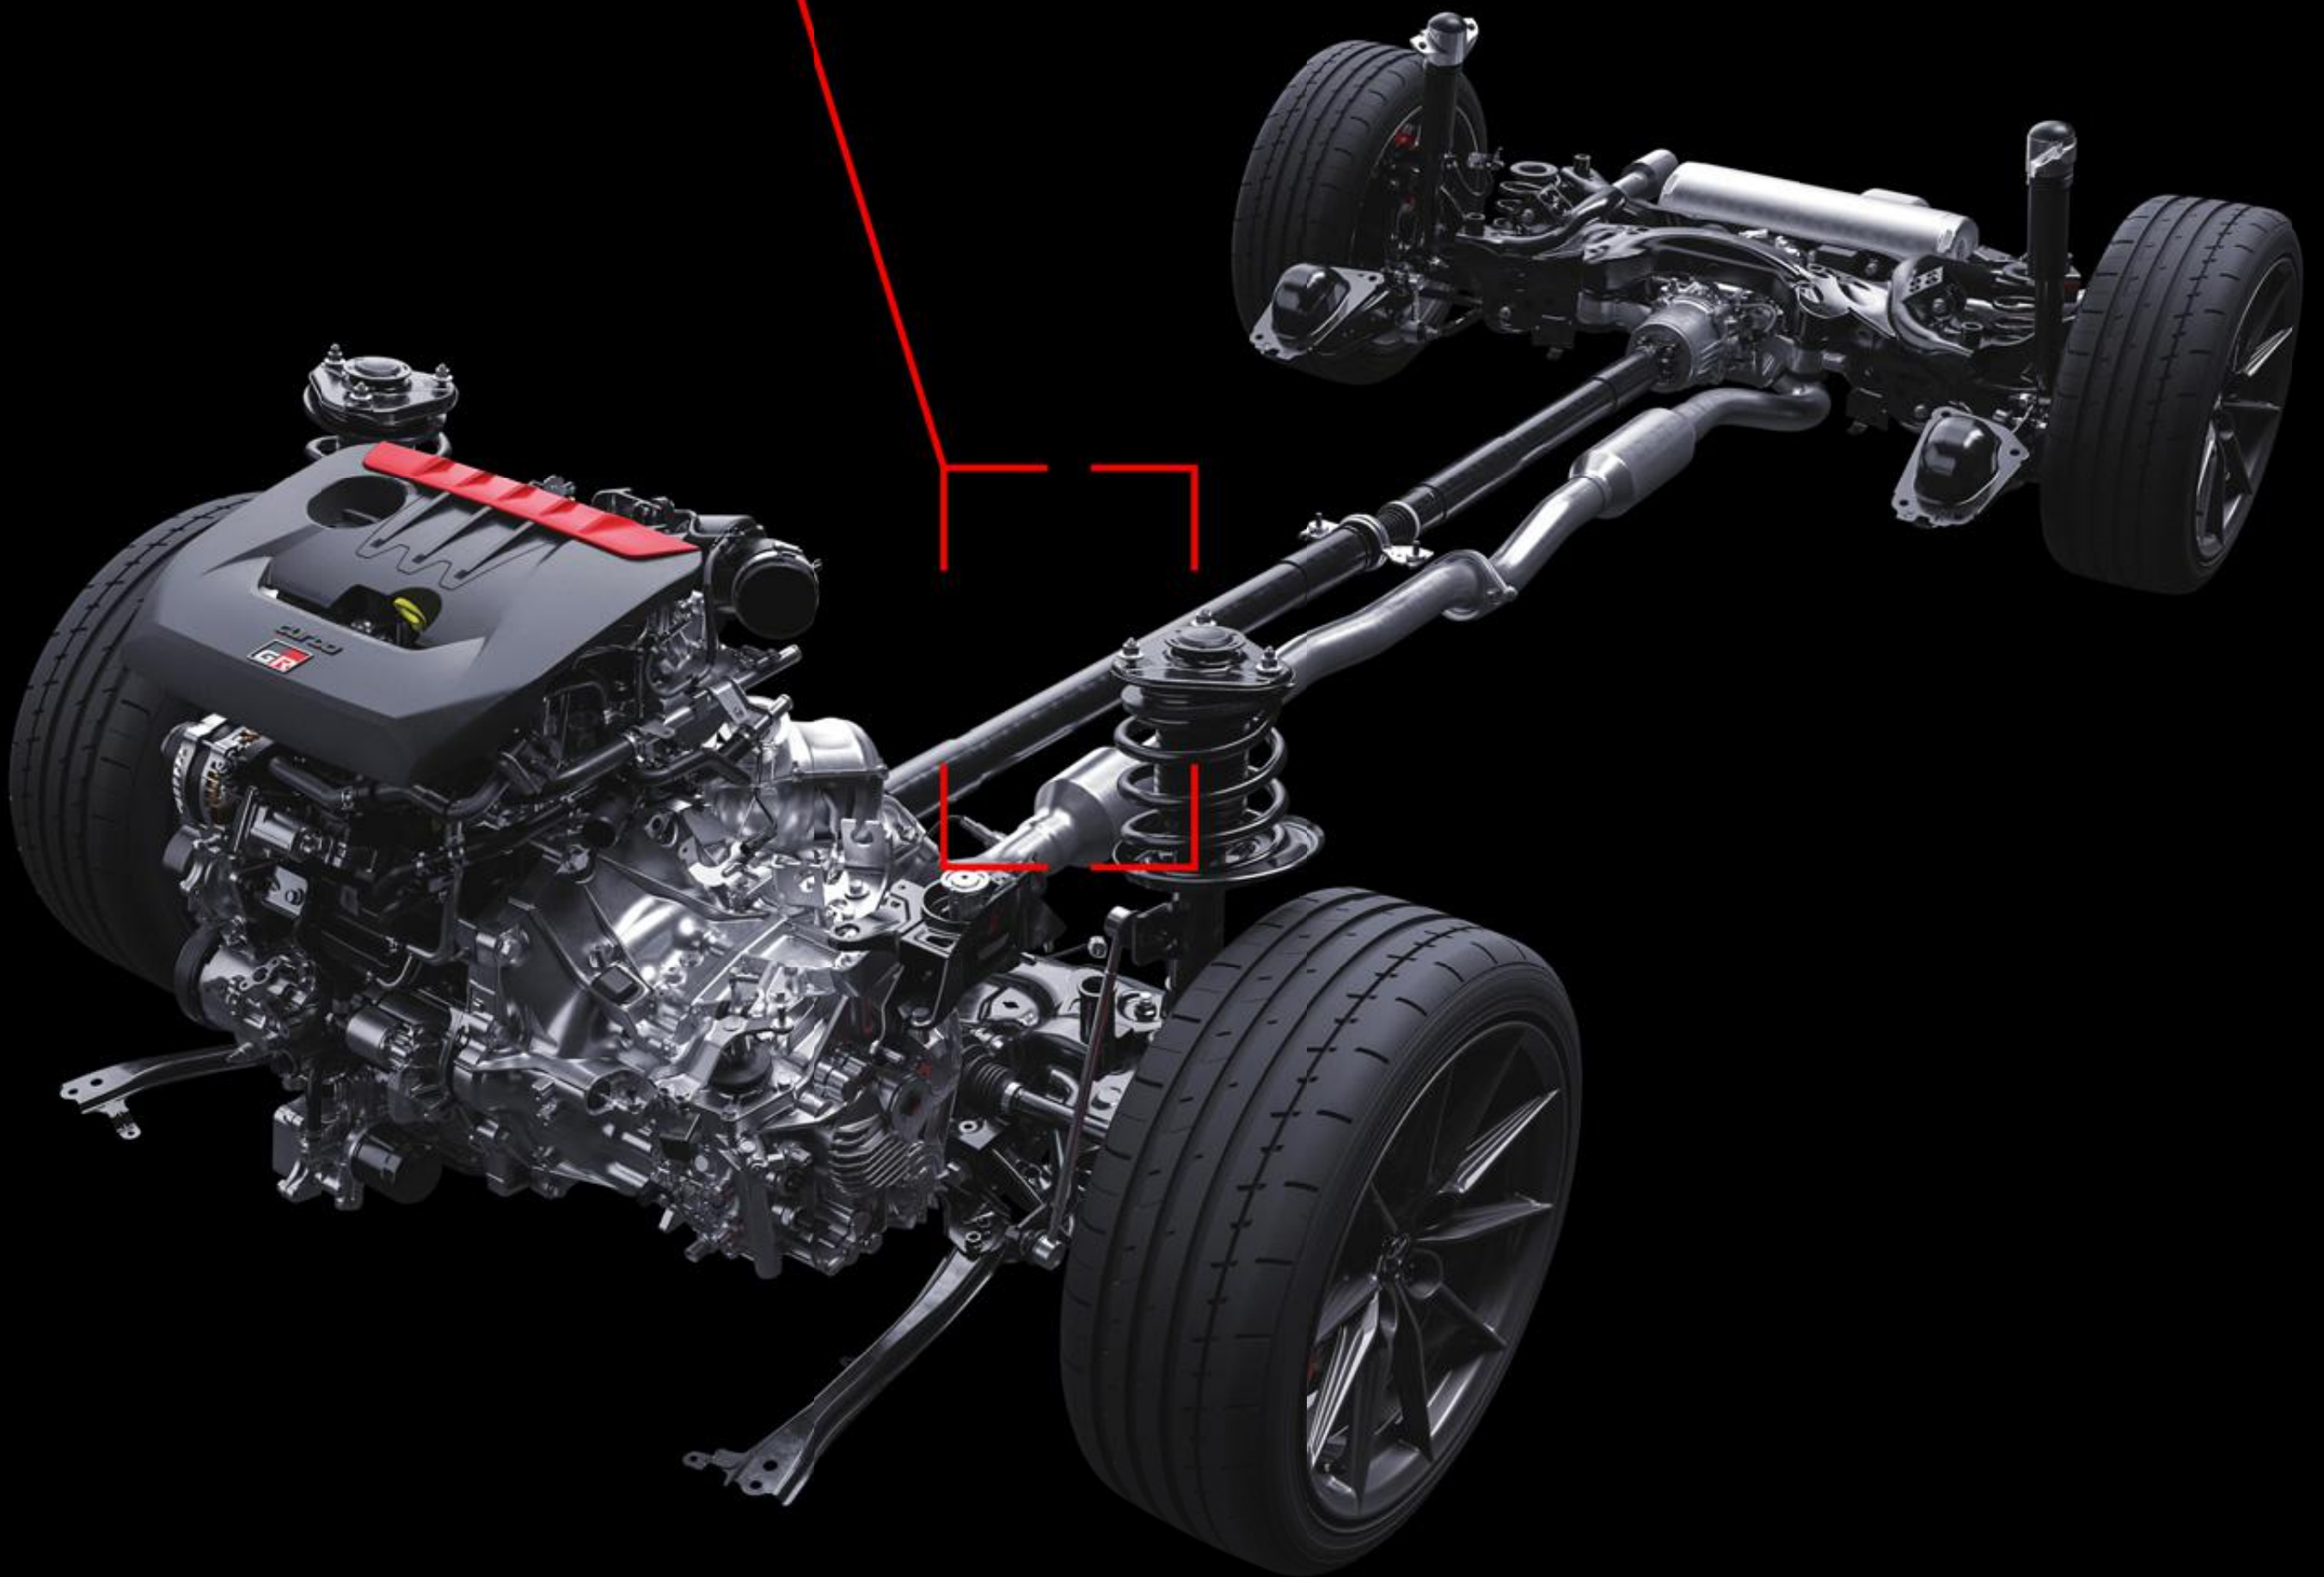

Acceleration

0-100km/h in 5.2s

Enhanced Handling Stability

From single-point fastening to three-point fastening, the suspension now withstands alignment changes during hard driving, enhancing steering responsiveness and handling stability.

Pure precision with Intelligent Manual Transmission

GR Yaris offers more precise shifting with a 6-Speed Intelligent Manual Transmission allowing drivers to quickly change gears from sporty to race-ready.

Drive Mode Select

Sports, Normal, Eco. For the perfect track ready daily.

GR-FOUR AWD System

The vehicle offers three driving modes tailored for various conditions. **NORMAL** mode maintains a 60:40 torque split for nimble, everyday driving. The new **GRAVEL** mode enhances traction with a 53:47 distribution, ideal for low-friction surfaces. **TRACK** mode, previously fixed at 50:50, now dynamically varies between 60:40 and 30:70, optimising traction based on driver input and vehicle dynamics.

INSTINCTIVELY INNOVATIVE

Shaped by insights from motorsports professionals, the new GR Yaris boasts an exterior with updated features that not only commands attention but also reduces aerodynamic drag, enhancing cooling performance and agility for a performance-driven edge.

Rear Design

Streamlined upper and lower rear lamp. Redesigned to create a low and wider impression.

Functional Matrix v2 Grille

Front bumper now features the latest 3-split construction that enhances cooling and aerodynamics and allows customisation potential.

Side Lower Grilles

Redesigned with larger openings for optimal cooling performance.

ROOM FOR MORE

The enhanced, driver-centric interior features a lower seating position and multimedia screen, putting comfort and control at your fingertips.

BRIN NAUB Semi Bucket Seats

Lowered seat position and updated material for more precise vehicle feedback and helmet ergonomics.

GR-unique Driver-First cockpit

Refined with input from professional drivers, this exclusive cockpit delivers sharp visibility and seamless operability.

GR Full TFT Meter (12.3")

Designed for Precision-oriented readability/Visuals, this TFT gauge display provides all the essential vehicle data for a dynamic, performance-focused driving experience.

7" Audio Multimedia System

Coming standard with Apple Carplay & Android Auto™ Wireless Connectivity, stay connected to your world on the go.

Cooling Package

For enhanced cooling performance, a sub-radiator, cold air intake duct, and intercooler sprayer comes standard for motorsport performance.

TOYOTA SAFETY SENSE

Advanced suite of safety features that allows you to unleash your drive with a peace of mind.

Pre-collision System [PCS]

Avoids or mitigates frontal collisions by alerting the driver, and automatically applies the brakes to reduce vehicle speed when there is a risk of collision.

Automatic High Beam [AHB]

Auto High Beam (AHB) is available, which automatically turns on the high beam when there are no vehicles ahead.

Dynamic Radar Cruise Control [DRCC]

Designed to adjust your speed, helping you maintain a preset distance from the car in front of you.

Lane Departure Alert [LDA] with Lane Tracing Assist [LTA]

Using the camera sensor and millimeter wave radar, LDA helps prevent the vehicle from unintentionally straying from its lane while LTA (Lane Tracing Assist) automatically keeps the car centered. It will sound an alert and apply minor (selectable) steering adjustments to realign the vehicle should it detect the vehicle going off-course.

TOYOTA

Move your world

EXTRA MILE

Toyota prides itself in keeping its cars on the road longer. But beyond its legendary legacy of durability and reliability is the commitment to go the extra mile for every customer. With a comprehensive network of services and facilities across Malaysia to make every Toyota ownership more convenient than ever.

From delivery to your doorstep, holistic car maintenance assistance services, simpler ownership cost management, and much more.

We are more than just an automobile company, we are a mobility company committed to 'Move Your World'.

*A Total of 97 Service Centres Nationwide.
Conveniently located for easy accessibility to quality service and genuine parts.*

Maxcheck

Toyota Quality Service goes the Extra Mile with all the facilities you need to keep your car running at its best.

Insurance Package

Toyota Insurance Package goes the Extra Mile to ensure you're covered, whatever the situation.

Genuine Parts

Toyota Genuine Parts go the Extra Mile for quality, reliability, and higher resale value to bring you peace of mind.

Service Savers

With Toyota Service Savers, we go the Extra Mile so it's easy and more rewarding to keep your new Toyota running at its best.

247 Road Assist

With Toyota 24Seven Road Assist, we go the Extra Mile to keep you safe, back on the road, and moving with Toyota.

Financial Packages

With Toyota Financial Packages, we go the Extra Mile to bring you more financing choices to fit your needs and lifestyle.

Loyal-T

With Loyal-T, we go the Extra Mile to get you more rewarded for enjoying the thrill of the drive with your Toyota.
